Start another round like this: *3 to 7 ch (depending on the length desired for the grass, you can crochet all of the same size or random sizes), come back crocheting sc in the ch, then 1sc in the base circle, 1 sc in the base circle* When the round is finished you will have “grass” every 2 st. Change color to light green and repeat the chains to make grass, but now make the chains in the empty st. Close with sl st.
Sew the 2 pieces with the embroidery needle. Hide the ends inside the bunny. Finish embroidering a face or attaching eyes or beads. Put a little ribbon in the neck (photo 3).
